Strada di progetto A-B

Intervento su serbatoio consortile

Edificio Blocco servizi ed area di
pertinenza oggetto di intervento

A detailed topographic map of the area around Vibo Valentia, Calabria. The map features contour lines indicating elevation, with peaks reaching up to 1000 meters. The town of Vibo Valentia is visible in the lower right, with its urban layout and surrounding infrastructure. A prominent feature is a large, irregularly shaped area highlighted in green, which represents the intervention area on the reservoir. This area is located in the central-left part of the map, near the town of Vibo Valentia. A red line, representing the proposed road A-B, runs through this green area. The map also shows various smaller settlements and geographical features, including the river Vibo and the surrounding hills. The overall terrain is hilly and mountainous, with significant elevation changes. The map is oriented with North at the top, and the scale is 1:10,000.
